CERTIFIED READY TO EAT

10 LB / 2.0 CM TUNA POKE

Thunnus spp

Product Details

Production Method
- Tasteless Smoke (TS)
- Carbon Monoxide (CO)
  To promote color retention

Sustainability Certification
- FIP (AP2HI)
- MSC

Optional Ingredients
- Sodium Citrate

Thawing Instruction
Keep Frozen.
Remove from packaging and thaw under refrigeration

Shelf Life
24 months from production date (Frozen & closed)

7 days from defrosting date (chilled & opened)

Weight Range
1 lb per IVP

Product Dimension
Machine Cut
Length (2.0 cm)
Width (2.0 cm +/- 0.2 cm)
Thickness (2.0 cm +/- 0.2 cm)

Net Weight
10 lbs

Grade
- Prime
- Choice

Country Of Origin
Indonesia, Thailand

Storage Condition
0˚F or < -18˚C (FIFO)

ALL PRODUCTS ARE PRODUCED IN FACILITY WITH BRCGS A SCORE AND SEDEX 4 PILLARS

Food Safety

Standard	Target	Action Level	
Microbiological Standards			
Aerobic Plate Count (APC)	≤ 40,000	≥ 100,000	CFU/g
