In the third quarter of 2023, NUSATUNA extended its processing factory operations to Biak, Papua. Despite this expansion, the company remains steadfast in its commitment to supporting the local community.

As a tangible manifestation of this commitment, NUSATUNA sponsored the PSBS Biak football team, enabling them to refine their skills and prepare for national-level championships.

On the 8th of August, a launch event was held by PSBS Biak to introduce their new management, sponsorship, and football squad. The event was further enhanced by the presence of regional musicians and national actresses.

NUSATUNA takes pride in being a part of this journey and extends its best wishes to the PSBS Biak team and hope that their accomplishments will encourage youth in the community to pursue their passions.
