

CERTIFIED READY TO EAT

10 LB / 8 OZ TUNA STEAK

Thunnus spp

Product Details

Production Method

- Tasteless Smoke (TS)
 - Carbon Monoxide (CO)
- To promote color retention

Sustainability Certification

- FIP (AP2HI) - MSC

Optional Ingredients

- Sodium Citrate

Product Dimension

Thickness (0.8 - 1.4")

Shelf Life

24 months from production date
(Frozen & closed)

7 days from defrosting date
(chilled & opened)

Weight Range

8 oz (7.0 - 9.3 oz)

Thawing Instruction

Keep Frozen.
Remove from packaging and
thaw under refrigeration.

Net Weight

10 lbs

Grade

- Nusa Prime - Choice
- Prime

Country Of Origin

Indonesia, Thailand

Storage Condition

0°F or < -18°C

ALL PRODUCTS ARE PRODUCED IN FACILITY WITH BRCGS A SCORE AND SEDEX 4 PILLARS

Food Safety
